President of Comfort Supply, Inc.

**4:00 - 5:00:** Behind the Scenes tour - WVU Student Rec Center

Presenter: **David Heckler, President - Comfort Supply, Inc.**

David joined the HVAC industry and ASHRAE in 1986, 4th generation  
in the HVAC industry. He joined Comfort Supply, Inc. in 1986 and

became President in 1992. He pioneered the use of ductless split systems in Western PA, tri-state area starting in 1989, was instrumental in the installation of the First VRF system installed in United States in 1993 and pioneered commercial use of VRF systems in Western PA, tri-state area beginning in 2001. He has been a voting member of the ASHRAE VRF committee (TC8.7) since 2010, and assisted in the writing of the VRF chapter in the ASHRAE Handbook. Presented multiple VRF topics at local and national ASHRAE chapters, extensively involved in support and application assistance with over 2000 VRF projects since 2001, and has presented over 200 VRF design and application classes for Engineers and Contractors since 2001.
