Presenter **M. Dennis Knight, P.E.**

M. Dennis Knight joined ASHRAE in 1979 and has 44 years of experience providing engineering, design and construction related services within the building industry. Mr. Knight is a current Society Vice President, serves as a Director at Large on the ASHRAE Board of Directors and holds the

membership grade of ASHRAE Fellow. Active at the local, state and national levels with various agencies and professional societies, he works

to help develop sustainable, integrated building design guidelines. Nationally, as a member of ASHRAE, Mr. Knight is the Chairman of Standards Committee SPC 224 - "The Application of Building Information Modeling", is the former Chair of Technical Committee (TC) 7.1 "Integrated Building Design," and served as chair of the ASHRAE Building Performance Analysis Specialty Conference for six years.

Mr. Knight founded Whole Buildings Systems, LLC, in 2010 after having owned both an MEP engineering firm and a construction company, and most recently serving as a Principal at Liollo Architecture. Whole Building Systems' practice focuses on commissioning, building performance simulation, energy management, BIM applications, operations and maintenance management and planning.

Mr. Knight holds an assortment of professional registrations and accreditations. He is a Registered Professional Engineer in South Carolina, North Carolina, and Wisconsin and holds dual registration in South Carolina as both a Mechanical Engineer and a Fire Protection Engineer. He is a LEED Accredited Professional, a Construction Specification Institute (CSI) certified Constructional Specification Specialist, a American Commissioning Group (ACG) certified Commissioning Authority and Building Performance Institute (BPI) certified as both a Building Energy Analyst and a Building Envelope Professional.
