

OCTOBER 18 MEETING REMINDER

An ASHRAE International Premier Chapter

Join us Friday October 18th, 2019

"ASHRAE Guideline 36 - High Performance Sequences of Operation for HVAC Systems"

Location: FireSide Grille, 439 WV-34, Hurricane, WV

Schedule: 11:00 - 12:00 BOG/Chapter Meeting

12:00 - 12:30 Lunch

12:30 - 1:30 Seminar

This presentation will provide an introduction to "High-Performance Sequences of Operation for HVAC Systems," as described in ASHRAE Guideline 36-2018. This guideline defines best-in-class sequences of operation for HVAC systems that help maximize energy efficiency, improve occupant comfort, and provide real-time fault detection and diagnostics (FDD).

Learning Objectives:

- What are high performance sequences of operation for HVAC systems?
- What is ASHRAE Guideline 36?
- What are the benefits of these high performance sequences of operation?
- How to specify high performance sequences of operation for ASHRAE Guideline 36

- The future of ASHRAE Guideline 36

Presenter: Ken Gilbert - Automated Logic

Ken Gilbert is a Regional Technical Consultant for Automated Logic, supporting design engineers and consultants in the Atlanta area. Ken brings significant industry experience to ALC having served with The Trane Company and Honeywell International in a variety of sales, engineering, and consultative roles. Ken graduated from the Georgia Institute of Technology with a Bachelor of Science degree in Industrial Management. Ken and his family live in the Atlanta area.

Thank You to HSC for sponsoring our presenter

Registration details:

WVASHRAE Member: \$15

Non-Member/Guest: \$20

WV ASHRAE Student Branch Member (bring ID): Free (please email c192web@ashrae.net to register)

Please visit our website wvashrae.org to pre-register through our PayPal button. We will accept registration at the door, but please email c192web@ashrae.net to let us know you will be attending so that we can get an accurate count for lunch. Cash or check at the door only, no credit cards accepted at this time.

Meeting Sponsorship

We are looking for Sponsors for this meeting to help support WVASHRAE in bringing you this (and other) presentations of new and updated industry topics. Through sponsorship, we are able to keep our meeting costs low for attendees.

Please visit our website wvashrae.org to register for a \$200 Sponsorship through our PayPal button. If you wish to be a Sponsor for a different support amount, please email c192web@ashrae.net. THANK YOU for your support.

More information is available on the wvashrae.org website.
