ASHRAE RP Sponsorship:

Our annual Day of Learning Sponsorship donations are dedicated funds toward our ASHRAE RP Fund Raising Campaign. Currently, we are \$2,400 short of our

established goal for this year and cancellation of our event will make it difficult for us to raise the remaining funds to meet (or exceed) our goal.

We are asking if interested Vendors/Sponsors that were planning to participate, or have previously participated in our Day of Learning/Trade Show would consider being a sponsor of this Webinar and make a tax-deductible Sponsorship Donation toward our RP Campaign? Your support is greatly appreciated.

Levels of Sponsorship are:

DIAMOND: \$750

GOLD: \$500

SILVER: \$350

BRONZE: \$200

Your company name will be displayed on the Webinar opening slides, on our website, recognized in a future Newsletter, and included in ASHRAE's annual publication of RP Donors.

We will be including a Sponsorship Donation link on our web page and in our next email announcement with additional details for our April 29, 2020 Webinars.
