

Join us tomorrow for the First WV ASHRAE Chapter meeting of the year. The WV High-Performance Buildings Day. One webinar with 12 outstanding sessions. You can watch them all or just the ones of interest. This Day is hosted by the WV ASHRAE Chapter and sponsored by WV State Energy Office, ZMM and ZDS. It is for anyone owning, designing or operating a commercial building.

Use the link below to sign up for this free event or go to www.wvashrae.org. WV ASHRAE PDH attendance certificates will be awarded for the technical sessions.

Program Sessions

8-9 am

Session 1: ASHRAE 2020 Update ❖ Mick Schwedler, P.E., ASHRAE Society President-Elect

Fast-paced presentation addresses challenges, prospects, and provisions to increase building and community resilience, and improve indoor environmental quality to provide safe and healthy built environments.

Session 2: WV State Energy Office Update - Karen Lasure, State Energy Efficiency Specialist

Update on WV Energy Efficiency Programs, participating companies working with WV Energy Office, current and new projects, and Initiatives in education, bench marking, more

9-10 am
