**Times:** 10:30 AM - 1:15 PM, including a lunch for in-person attendees (10:30 -

**11:30: Chapter/BOG meeting, 11:30 - 12:00: break/lunch/setup, 12:00 - 1:00: Presentation, 1:00 - 1:15; closing)**

**Location: FIRESIDE GRILLE, Hurricane, WV.**

PDH certificate for **1.0 hours** will be provided to attendees of the seminar.

**Presentation Description:**

**Why Boilers are Still a Great Heating Option:** Boilers are often considered the old way to heat a facility. Ray will talk about how boiler heating is still a cost-effective, safe, and environmentally prudent way to heat. He uses humor and jobsite anecdotes to teach technical subjects in a non-technical way.

**Featured Presenter**

**Ray Wohlfarth:** Ray is president of Fire & Ice Heating & Cooling in Pittsburgh, PA. He is an international book author of eleven boiler books and a columnist for Plumbing & Mechanical, RSES, PM Engineer, Master Brewers Association, National Board, Green Building Research, and Engineered Systems Magazines. He is currently on the board of governors/directors for WV ASHRAE and WV APPA and past president of Pittsburgh ASHRAE. Ray has taught classes for: ASHRAE, RSES, Hospital Engineers, NAPE, Operating Engineers, Steamfitters, BOMA, IFMA, and APPA
