Season Greetings!

As we near closer to the end of the year I'd like to take this time to thank the WV ASHRAE chapter membership and leaders for support! I'm pleased to announce the WV chapter membership and society membership has continued to rebound throughout this year. There is familiarity as to how ASHRAE connects members in West Virginia and across the world. I would encourage you to visit the WV ASHRAE Chapter website to reflect on this past years events, view presentations that you may have missed, or sign up for membership if you have not already. This has been an exciting year for the WV ASHRAE chapter to reunite with familiar colleagues and welcome new members. We continue looking forward to in person events next year at West Virginia University, WV EXPO, ASHRAE Day of Learning, as well as virtual events. Hope to see you there. Wishing you Happy Holidays and a Happy New Year!

2021-22 Chapter President, GAC Chair
