### Season Greetings!

Now that this year is drawing to a close, I would like to express my appreciation to everyone who continues to make the WV ASHRAE Chapter successful. Without your support and dedication, what we are able to provide to our state and communities would not be possible. If you have not already, please consider checking out our website [wvashrae.org](http://wvashrae.org) for future events, membership, or to reach out about ideas you would like to see WV ASHRAE participate in. I look forward to meeting and seeing everyone at these events. Wishing everyone a Merry Christmas and Happy New Year!
