### Offering innovative solutions to infrastructure challenges since 1983

Thrasher is a full-service consulting firm with a rich resume of project success all throughout the Mid-Atlantic region. Our team of skilled experts delivers a vast array of professional services to clients across five major markets. With a full complement of architects, engineers, surveyors, and field services personnel, The Thrasher Group is equipped to bring your vision to life.

Thrasher's five core markets have emerged through years of honing our skill sets and developing specialized expertise that brings a depth of knowledge second-to-none. Whether you're looking for utility extensions and site engineering to get your project off the ground or need the perfect building design that leaves a lasting impression...

**THRASHER'S GOT IT**
