

*WV HIgh Performance School Buildings Days are Sept 12 and
13*

Learn the secrets behind ultra high performance school buildings

Join our Sept Workshop to learn about the latest in school design and operation. Specifically how to cost effectively get to max tech low energy or zero energy schools. No longer a dream, these high performance schools benefit communities for many many years. Earn awards for high performance.

Two similar workshops - one for southern WV on Sept 12, the other for northern WV on Sept 13. .

Workshops are sponsored by:

The WV State Energy Office, WV ASHRAE Chapter, WV AIA Chapter, USGBC, ZMM Architects and Engineers, ZDS Design/Consulting Services and Pickering Associates.

- 6 hours of continuing education for engineers, architects, others.
- Free Lunch
- Guest speakers from KY's High Performance Program

Learn more at www.wvashrae.org. These workshops are just two weeks away and class size is limited so signup today.
